

# Kids Safe Online

## MS-ISAC® Poster Contest

### Getting Started

Public, Private, and home schooled students in Grades K-12 are invited to participate for a chance to have their artwork displayed on the 2020 MS-ISAC Posters and Calendar! Entries should feature original artwork illustrating the safe use of the Internet and/or mobile devices.

### Suggested Topics

#### Grades K-8

- How should you treat others online?
- What information is safe to put on social media and what should you keep private?
- How should you handle unwanted attention or strangers online?
- How can you select a strong password and keep it secure?
- How can you handle cyberbullying?

#### Grades 9-12

- How can you preserve your online reputation or "digital footprint" on both social media and elsewhere on the Internet?
- How should you handle unwanted attention or strangers online?
- How can you select a strong password and keep it secure?
- Why is it important to keep your devices and software up to date?
- When is it safe to text and what information is safe to text?

### Format

- Original hand-drawn or electronically created submissions will be accepted.
- Text should be dark and large enough to read.
- Submissions may be in the format of either a full-page drawing or a 4-panel comic.

### Layout & Dimensions

**Only landscape layout** submissions will be accepted! Calendars are in landscape format.

- Minimum: 11" x 8.5"
- Maximum: 14" x 11"

### Content

- **Do Not** send any artwork that contains trademarked images or brands such as Disney Characters, Dell, Google, Twitter, etc. For additional information on copyright visit: <http://www.copyrightkids.org/>
- **Do Not** put any identifying information (such as student's full name or age) on the front of the poster.
- Adults may offer minimum technical support but cannot aid in the creative process. No professional (paid) assistance is allowed.
- Inappropriate or offensive language and images will cause a submission to be automatically disqualified.

### Please Note:

- Students may use a variety of media, such as watercolor, pen and ink, crayon, chalk, or markers.
- Brighter colors reproduce better for the calendar. Light pencil marks will not show up.
- Keep in mind most posters will likely be on public display, and should be easy to see or read.

## Submitting Entries

### Kids Safe Online MS-ISAC\* Poster Contest

➤➤➤ **If Your State Is Holding a Contest:**  
Submit all posters to your state contest (contact [contest@msisac.org](mailto:contest@msisac.org) for your state's submission email address). The state will then submit the winning entries to the Multi-State Information Sharing & Analysis Center.

➤➤➤ **If Your State Is Not Holding a Contest:**  
Each participating school/youth group is permitted to submit up to fifteen (15) posters (5 entries per grade group). How your school/youth group decides on the fifteen (15) posters is up to you! Some schools/youth groups may wish to have a contest and choose the entries; others may just have the art teacher, principal or group leader choose.

#### Entry Form

Each poster must be accompanied by a completed Entry Form, included with the 2018 toolkit and available at [www.infosec.ohio.gov/Educator/PosterContest.aspx](http://www.infosec.ohio.gov/Educator/PosterContest.aspx)

#### Due Date

The posters with Entry form, must be submitted by January 11, 2019. (Limited to one entry per student).

#### Entries and forms should be mailed to:

**State of Ohio - DAS/OISP**  
Kids Safe Online Poster Contest  
Attn: Diane Mays  
30 E. Broad Street, Suite 1990  
Columbus, OH 43221

[OIT.OISP-events@das.ohio.gov](mailto:OIT.OISP-events@das.ohio.gov)

#### Notice:

All entries submitted become the property of the Multi-State Information Sharing and Analysis Center and may be used in future publications. Poster entries will not be returned.

#### Winners

Winners from each grade group (K-5, 6-8, 9-12) will be selected.

A total of 13 winners will have their artwork displayed in our calendar which will be distributed throughout the country and used in campaigns to raise awareness among children of all ages about Internet and computer safety. The top four submissions will also be made into posters promoting cybersecurity practices.

The MS-ISAC will notify the school contact person named on the Poster Entry Form or the state contact if their student is a winner!
